

# GAME CHANGE

With John McCain trailing in the polls during the 2008 U.S. Presidential Election, strategist Steve Schmidt knew he needed a 'game changer' to turn the tide. With Sarah Palin, he thought he had found that person. Game Change pulls back the curtain on the McCain team and their clash over politics and principles as Schmidt championed Palin as McCain's running mate only to later regret it as pressures on the Alaska Governor brought the campaign perilously close to irrelevance. *Film followed by faculty guided discussion.*
