WICKED MEN: The Dangers of the Imperial Presidency after Trump v. United States (2024)

4:15 PM

Commons 221/222

Amanda Hollis-Brusky, Professor of Politics at Pomona College, will discuss the Supreme Court's ruling in Trump v. United States (2024) in the context of the longer-term trend of judges and lawyers enabling the growth of the Imperial Presidency, explaining how and why these efforts are so dangerous for American democracy.
