ANNOUNCEMENTS

P | W
GRAD SCHOOL 101:

Monday, September 16th!
Chase Lounge
7-8 pm

Are you considering graduate or professional school after Bates?

[Grad School 101](#) is a broad introduction of the grad school landscape — from exploring the types of degrees available to determining whether and when to apply. The workshop also addresses the logistics of the application process — from researching schools and programs to making your final decisions about where to go.

The goal of Grad School 101 is to present:

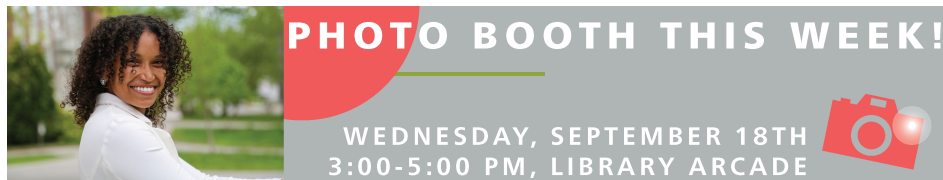

1. Strategies and recommendations for exploring grad school
2. Guidance and support for engaging with grad school representatives, and
3. General information about grad school applications and admissions.

We hope to provide you with a sense of the breadth and depth of available options so that you can explore programs that will give *you* the greatest sense of purpose.

Check out [THIS PAGE](#) for additional support and resources.

We'll stick around after the work shop in the PW Suite for any individual and specific questions
